CLASS

FAI F3 Radio Control Soaring, Class F3B

FAI Rules

The following documents will be applicable by consulting the edition effective at the date of the event:

- FAI Sporting Code Section 4 – Aeromodelling Volume F3 - Radio Control Soaring Model Aircraft - 2025 Edition.
- FAI Sporting Code Section 4: Aeromodelling, CIAM General Rules 2025 Edition.
- FAI Sporting Code, General Section 2025 Edition.
- FAI Code of Ethics & FAI Disciplinary Code.

FAI Sporting Licence

Every competitor and each team manager of any national team must possess a valid FAI Sporting Licence (Aeromodelling discipline) registered in the FAI database. A FAI Sporting Licence is not required for the helpers.

The holder of a FAI Sporting Licence may be required to produce, as proof of identity, an official document including his/her names, photograph and signature.

Complaint and protest

The purpose of a complaint is to obtain a correction without the need of making a formal protest. It is recommended that a complaint is made before submitting a protest. All protests must be presented by the team manager(s) in writing in English to the Contest Director and must be accompanied by the deposit of a fee of EUR 50. In the case of a joint protest, every protesting team manager must pay the protest fee.

Anti-doping statement

A competitor, who needs to take any of the substances listed on the WADA Prohibited List for medical reasons, must have a valid Therapeutic Use Exemption (TUE) signed by FAI. To access the current WADA prohibited list of substances and additional information regarding the TUE, see the FAI website with the following link: <https://www.fai.org/page/anti-doping-therapeutic-exemptions>.

UAV regulations

According to the UAS regulations applicable in the European Union (EU), every operator of an UAS needs an operator number from the government. The UAS operator number of the competitor must be visible on every model.

If you are from a country outside of the EU and don't have any operator number, please write an e-mail with name, address, date of birth, telephone and e-mail address to info@mfsd.de. We will manage registration for you. Cost: EUR 5.

If you are from the EU, please make sure that you have your operator number from your home government on your models.

There is no need for a proof of knowledge or something like that for participating in the competition.

Identification of the models

According to CIAM General Rules Volume C.11.1, each model aircraft shall carry:

- The national identification mark followed by the FAI Unique ID number with letters and numbers at least 25 mm high.
- A model identification code with letters and/or numbers at least 10 mm high, clearly visible and different for each nominated model aircraft of the competitor.

Model Aircraft Specification Certificate and sticker

According to the CIAM General Rules Volume C.12, each NAC shall process every model and shall issue for each model aircraft the Model Aircraft Specification Certificate provided by the FAI. A sticker shall appear on each model aircraft.

Model aircraft not properly processed by their NAC, with FAI certificate and sticker, must be processed by the organizer at a cost of 8 Euro for each model.

OFFICIAL LANGUAGES

English language always prevails concerning all elements of the competition, namely FAI documents, competition rules and Bulletins.

PARTICIPANTS

Every NAC may enter a team consisting of:

- Team manager
- Assistant Team manager (not mandatory)
- Maximum of 5 individual competitors, providing that at least one competitor is Female and at least one is Junior. According to CIAM General Rules Volume C.5.1, a competitor is considered to be a junior up to and including the calendar year in which he attains the age of 18. So, a competitor will be considered for the championship(s) as being a junior as long he/she is born from the 1st of January 2007
- All Females and Juniors will compete for the overall individual classification. Additionally, there is a separate Female classification and a separate Junior classification, both with FAI medals and diplomas, depending on the provisions as described in C.15.6.
- Helpers/Supporters

The reigning Champion Bernhard Flixeder (AUT) has the right (subject to the approval of his NAC) to participate in the senior class. If he is not member of his national team, he will not be considered for the national team classification.

The reigning junior Champion Rasmus Krogh Petersen (DEN) have the right (subject to the approval of his NAC) to participate in the junior class. If he is not member of his national team, he will not be considered for the national team classification. When he is no more a junior, he cannot be considered for the individual Junior classification.

Note: *The team manager is mandatory but may be a dedicated person or one of the competitors of the national team.*

Additional individual competitors (wild card)

The possibility of increasing the number of Senior and Junior pilots was approved by CIAM to secure the championship's financial viability (ref. C5.3 f).

Up to a maximum of 3 Junior pilots and 3 Senior pilots, along with their respective helpers, may be incorporated per nation.

The invited wild card pilots can only be part of the individual classification(s). They are not part of their respective national team and so will not be considered for the national team classification.

The organizer will assist joining wildcard pilots to form working teams whenever possible.

The registration fees for wild card pilots will be the same as for regular pilots.

To enter one should complete the attached final entry form (section for wild cards) that also can be downloaded from the website www.f3b-wc-2025.de and return it to email s.brandes@mfsd.de not later than May 15 2025

Note: *The entry form must be signed and stamped by the respective NAC.*
